REMARKS

 25X1

1. In the morning on 11 March 1954, the Peitz-Lieberose road was blocked just south of Lieberose, between kilometermarks 25.5 and 29.9. Reports of guns were heard from the troop training grounds. Fourteen rocket launchers were lined up about 500 to 700 meters east of the road at intervals of about 40 meters. Trucks were seen in the training area.¹

2. On 11 March, little construction work was done in the installation north of Prachhausen, because of insufficient supply with material. The so-called technical section of the installation was being surrounded by a special fence. the tank sheds were occupied to capacity.²

25X1 Comment. elements of the 312th Gds RL Regt of the Fourth Gds Mech Army held firing practices at Lieberose.

25X1 2. Comment. The installation is carried occupied as previously by the 80th Gds Hv Tank SP Regt of the 9th Mech Div.
